Dear Mr. Parker:

At the Construction Code Commission meeting on January 7, 2004, the Plumbing Division presented your request for approval of the Blucher-Josam Stainless Steel Push-Fit Drainage System.

The Construction Code Commission, upon recommendation of the State Plumbing Board, approved the use of the Blucher-Josam Stainless Steel Push-Fit Drainage System with the following conditions:

1. All requirements of the Michigan Plumbing Code shall be applicable.
2. Installed in accordance with manufacturer's installation instructions.
3. All floor drains shall discharge through an approved trap.
4. Underground installation shall only utilize type 316L materials.

Should any change be made in the design or designation of this product, the modified product must be submitted to this office, and a new acceptance obtained.

In accordance with 1972 PA 230, MCL 125.1521, neither this letter nor the Certificate of Acceptability may be used for advertising or promotional purposes.

A Certificate of Acceptability is enclosed.

Sincerely,

Henry L. Green
