

PROVEN QUALITY - TRENCH DRAIN SOLUTIONS

Josam's Pro-Plus Trench Drain System

Made of glass-reinforced polyester pressed from sheet molded compound. It's **1.5 times STRONGER** and **70% LIGHTER** than polymer concrete. It's even **SHATTERPROOF!**

Specify Josam's trench drain system with confidence, knowing you specified a high quality, superior product that owners will be satisfied with and contractors will find easy to install.

- Much greater Compressive, Tensile, and Flexural Strength than other material options
- Less thermal expansion than similar products
- With/without slope
- Variety of grating options
- Load class A-F
- Simple to install
- Labor Saving
