

# Push Fit At Its Best

As the only company over the past 20 years to market, sell and distribute a stainless steel push-fit system throughout the United States, we know this statement to be true!

## Josam Push-Fit Stainless Steel Drainage System

Manufactured by 

Today Josam is proud to introduce to you the new generation of systems, the "Josam Push-Fit Stainless Steel Drainage System".

System features and advantages include:

- Pipe and fittings manufactured of austenitic grade 316L stainless steel
- A gasketed "Push-Fit" design resulting in cost effective installations
- Pipe and fitting sizes ranging from 1-1/2" through 8" diameter
- Specific gasket materials to suit different product applications
- Pressure ratings that are at least 4 times higher than previous generation systems
- Capable of being used in vacuum systems
- IAPMO Listing, File #6780

For many years Josam Company has provided innovative products to the plumbing drainage industry. This tradition lives on with the "Josam Push-Fit Stainless Steel Drainage System".
