APPLICATION

For use in heavy traffic areas where a continuous trench drain is required such as in parking garages, vehicle repair facilities, manufacturing plants and ramps. The internal dome strainer intercepts debris, that could block the drain line. An outlet section can be used individually as an area drain.

SPECIFICATION

JOSAM 76000 Series coated cast iron rectangular sectional Trench Drain with heavy-duty body sections and integral anchor flange, heavy-duty loose-set SUPER-FLO® Grates with perimeter drainage slots, 3/16” x 3-1/2” grate openings, secondary loose-set dome strainer and bottom outlet inside caulk connection.

Available Options

- EXT Extension Section
- 1 Satin Finish Nikaloy Top
- 2 Satin Finish Bronze Top
- 7 Ductile Iron Grate
- * -VP Secured Grate, Vandal-Proof Screws

* For installations exposed to vehicular traffic, specify -VP, Secured Grate.
