TERMS AND CONDITIONS

PAYMENT TERMS:

For accounts with established credit, payment terms are 2% cash discount, payable 30 days from date of invoice, net 31 days. Invoices still unpaid after 31 days from date of invoice will be subject to interest charges of 1-1/2% per month. Confirmed irrevocable letter of credit or cash in advance of shipment is required for accounts without an established line of credit. Any terms and conditions appearing on your orders which are inconsistent with our quotation and conditions of sale shall be of no effect.

MINIMUM INVOICE:

\$50.00 net

FREIGHT ALLOWANCE:

All ground shipments will be F.O.B Philadelphia, PA. or shipping location. A freight allowance will be made on all shipments of \$5,000.00 net amount or more within the continental USA except for Alaska, Hawaii and Puerto Rico. Full freight allowance is limited to normal ground services and does not include charges for specially expedited or guaranteed deliveries requiring air shipment or guaranteed motor freight contracts.

RETURN POLICY:

Standard catalog material may be returned only upon written authorization of Seller. Credit will be issued to the Buyer's account toward purchase of additional material only. Material not in original condition, obsolete, discontinued or specially produced items will not be accepted for return or credit.

When return results from causes involving Buyer's responsibility, credit for goods in original condition will be issued at invoice price less 25% restocking charge for handling and inspection. Returns are limited to a maximum of 10% of the total Purchase Order value. Returns of less than \$100.00 net price will not be allowed. On all returns, incoming and outgoing freight charges to and from Josam Company will be deducted from any credit allowed. If material is returned and not in original condition and credit is denied, freight back to the buyer will be the responsibility of the buyer.

LIMITED WARRANTY:

Our products are warranted to be free of defects in material and workmanship for a period of one year from date of shipment, but our liability shall be limited solely to those defects, which our inspection finds to be due to our fault. Notification of a claim for defective material or workmanship must be given in writing to Josam Company within 60 days from date of shipment. **WE SHALL NOT BE RESPONSIBLE FOR ANY LABOR CHARGES OR ANY LOSS, INJURY OR DAMAGES WHATSOEVER, INCLUDING INCIDENTAL OR CONSEQUENTIAL DAMAGES.** The sole and exclusive remedy shall be limited to the replacement or repair of the defective goods at the Seller's discretion. Before installation and use, Buyer shall determine the suitability of this product for his intended use and the Buyer assumes all risk and liability whatever in connection therewith.

QUOTATIONS:

Quotations are based on discount in effect at the time of

quotation and will be protected on this basis for a period of 30-days from date of quotation. If an order is received within this 30 day period, it must indicate a release of material for shipment within 60 days from date of order, and all released shipments will be protected at prices quoted. If order is not released by customer within this 60 day period, it will be priced at discount prevailing at time of shipment.

ACCEPTANCE OF ORDERS:

All catalogs, price lists or other literature describing our products are not to be construed as offers to sell same. All orders are subject to acceptance by the general office of the Seller either by shipment or by written acceptance. Your order, when shipped or accepted by us, shall constitute the complete contract between us, subject to and incorporating therein the terms and conditions herein contained, and any inconsistent provisions contained in your order shall not apply. Prices, discounts and special programs contained in any of our catalogs, price lists or other literature are subject to change without notice.

CANCELLATION:

Orders are not subject to cancellation without our written consent. If an order is cancelled, the Buyer shall pay all costs incurred in connection with filling the order. Any items not catalog, specially made or not normally stocked by us and made or purchased to fill the order become the Buyer's property and must be paid for by the Buyer.

ILLUSTRATIONS, DESCRIPTIONS AND DIMENSIONS:

All illustrations, descriptions and detailed dimensions represent standard features and do not necessarily indicate all variations available. All weights stated in our catalogs, literature and drawings are approximate and are not guaranteed. All designs, descriptions and dimensions are subject to change without notice, and unless Buyer specifically states otherwise on order, standard products in effect at time order is shipped will be supplied.

RISKS:

Our responsibility ceases after the product has been delivered to the carrier in good order. It is the responsibility of the consignee to inspect each shipment carefully and file a claim with the carrier for any damage or shortage. Content shortages must be reported within 15 days after receipt of material.

DELIVERY:

Shipping dates are estimates and time of delivery is not the essence of this sale or the contract thereof. We will ship as near schedule as possible. Under no circumstances will the Seller have any responsibility on account of any delays in manufacture, transportation, or otherwise. Material is subject to shipment in whole or in part, at our option, and each shipment is subject to immediate invoicing.

TAXES:

Any sales or manufacturer's tax imposed under existing or future statutes shall be added to the price herewith and shall be paid by the Buyer unless proper exemption certificates are filed with Josam Company.

Josam's Push-Fit joining method results in cost effective installations.

Push-Fit the Josam Way

Josam's Push-Fit joint is accomplished by lubricating the joint and pushing the spigot and socket together. The result of this quick and easy joining method is a tight seal that has been tested and proven suitable for both gravity and vacuum applications. Additionally, test results have demonstrated that the Josam Push-Fit joint is pressure rated at least 4 times higher than other stainless steel push-fit systems.

Product and Size Range

Josam Company offers a complete range of pipes, fittings and hanging accessories. Pipe and fittings are available in 1-1/2", 2", 3", 4", 6" and 8" nominal pipe sizes. Pipes are available in 8 different lengths ranging from 0.8 feet to 9.8 feet, allowing for minimal field cuts. A complete range of stainless steel drains are also offered by Josam. For further details, please see Josam Company's Stainless Steel Drainage Product catalog.

Packaging

Each pipe length is individually wrapped in a protective plastic covering. Sizeable pipe shipments from Josam are crated for protection against damage during shipment. Small pipe shipments may be shipped in protective tubes.

Markings

All Josam products are marked in accordance with applicable standards. Markings will include manufacturer's name and/or registered trademark, the grade of stainless steel, Josam name and part number and UPC®.

Listings and Approvals

Products meet or exceed the performance requirements of ASME A112.3.1-2007 and IGC 275-10. Most Josam products are IAPMO listed under File #6780. Please refer to the IAPMO website or contact Josam Company for a copy of this listing or state and local code approvals. Additional approvals include Registro Italiano Navale, Lloyd's Register, American Bureau of Shipbuilding, Det Norske Veritas, Bureau Veritas and Russian Maritime Register of Shipping. All manufacturing and quality assurance is in accordance with the internationally recognized ISO 9001 standard.

Labor Savings

The Josam Push-Fit joining method allows joints to be made in a matter of seconds and does not require any tools. Connections are made by lubricating the spigot end and turning it into the socket end. Additionally, due to the fact that stainless steel is lighter in weight, the product is easier to handle and requires less manpower. Considering these two advantages with the life expectancy of the product, the Josam Push-Fit Stainless Steel System is an economical solution for most applications.
